**Subject:** MOU signing with Native Village of Tyonek

Director McLerran,

On behalf of the Native Village of Tyonek (NVT), I am writing to invite both Jamie Stoddard and Jim Woods to the November 14th signing of the government to government MOU between EPA and the NVT. Your staff have been very important partners in the work that has been done to date on the Chuitna Coal Mine and we believe that their presence at the signing would exemplify the on-going commitment of your agency to continue to work closely with the Tribe as we move forward.

We look forward to the ceremony on the 14th and seeing you there in person.

With much appreciation,

Heather Kendall-Miller
